SIMULATION ESSENTIALS CLASS: PART I & II
Thursday, September 14 & 15, 2017 8 am to 3:30 pm

UCLA School of Nursing
LeConte Building Room 4-650
720 Tiverton, Los Angeles 90095

An entry-level course for those interested in using human patient simulators for nursing education. Learn what simulation is all about!

Faculty:
Mary Ann Shinnick, Ph.D., ACNP, CCNS, DNPSE
Extensive Simulation experience, published research in simulation, presented at both ANA and AANA
Conferences for Simulation and has been teaching Simulation to nursing educators for 9 years.

Cost: $250.00 per day (includes instruction, light refreshments, 12.75 hours each day) no charge for UCLA faculty or students.

Target Audience:
Nurse Educators
Hospital Educators
Clinical Nurse Specialists
Anyone who teaches medical professionals

Objectives:
By the end of both sessions, the participant will be able to:
1. Define simulation as a teaching strategy
2. Complete the writing of a scenario
3. Set up and deliver a scenario in a simulated lab setting
4. Complete debriefing after test simulation following instructor guided practice
