

## **My Last Lecture Award!**

Lecturer Barbara Demman, MSN '08, RN, ACNP, CNS was this year's recipient of UCLA's Marty Sklar My Last Lecture Award. The award, created by UCLA's Alumni Scholars Club in 2010, is inspired by Randy Pausch's New York Times bestselling book. Each year, a student-nominated professor gives a lecture as if it was their last lecture on earth. Demman was the first woman, and nurse, to receive the award. You can read all about her talk in this article from the [Daily Bruin](#).
