

The UCLA School of Nursing's Doctor of Nursing Practice (DNP) program will launch this Fall with its first cohort of students. The program focuses on the translation of research into advanced clinical practice to improve health outcomes. The program builds on traditional master's nursing programs by providing education in evidence-based practice, quality improvement and systems leadership.

Adjunct Associate Professor [Nancy Jo Bush MN '82](#) has been appointed as the [inaugural director](#) and Soo Kwon will be supporting Dr. Bush as Director of the program.
