What We Look For in an Applicant

► Why do you want to be a Nurse?
► Reason for selecting UCLA
► Self assessment for success (at the University and in Nursing)
► Your goals for a nursing career
► Volunteer experience in healthcare setting or other relevant experiences (will help if you indicate the duration of time).
► Leadership activities and qualities (will help if you indicate the duration of time)
► Include any multicultural & diversity experiences.
► Examples of responding to challenges or adversity (i.e. Economic, social disadvantaged and/or first generation)
► Bilingual ability (describe your level)
Statement of Purpose
The statement of purpose is an integral part of your application for graduate admission and consideration for merit-based financial support.

It is used to understand your academic interests, and to evaluate your aptitude and preparation for graduate work, as well as your fit with the proposed program of study.

Up to 500 words in length

Approximately 1-page, single spaced, using 1-inch margins and 12-point font

You do not need to answer every question; focus on the elements that you feel are most relevant to your candidacy. Please refer to application for SOP questions.
1. What is your purpose in applying for graduate study in your specified degree program? Describe your area(s) of interest, including any subfield(s) or interdisciplinary interests.

2. What experiences have prepared you for advanced study or research in this degree program? What relevant skills have you gained from these experiences? Have your experiences led to specific or tangible outcomes that would support your potential to contribute to this field?

3. What additional information about your past experience may aid the selection committee in evaluating your preparation and aptitude for graduate study at UCLA?

4. Why is the UCLA graduate program to which you are applying the best place for you to pursue your academic goals? If you are applying for a research master’s or doctoral program, we encourage you to indicate specific research interests and potential faculty mentors.

5. What are your plans for your career after earning this degree?
This statement should not duplicate the Statement of Purpose.

1. Describe how your background, accomplishments, and life experiences led to your decision to pursue the graduate degree for which you are applying.

2. Include any educational, personal, cultural, economic, or social experiences, challenges or opportunities relevant to your academic journey.

3. Describe any aspects of your personal background, accomplishments, or achievements that will allow the department to evaluate your contributions.

4. Contributions to diversity, such as efforts to advance equitable access to education, public service, that addresses the need of a diverse population.

Needs to be 1 typewritten page, single spaced. 12 inch – 12 pt font
Letter of Recommendation
(Total of 3)

- Current employer/supervisor
- College professor/instructor
- Health related setting (preferably a nurse)
- No family or personal friends
Resume/CV

- Highlights of education including honors received, work experience, volunteer work, professional organizations or associations
- List in chronological order
- This is vital and reviewers look to your resume for accomplishments and experiences, so make sure it is complete and reflects your leadership, employment, community service, volunteer and other creative experiences.
